Who Are We?

The CMW Parents and Carers Group are a group of parents and carers with daughters at the school who assist in providing a community connection between the stakeholders of the school, namely the students, their parents and the school staff.

The group provides a forum for discussion on wellbeing and educational matters, and also provides an opportunity for the school to report on recent activities and achievements.

What Do We Do?

The CMW Parents and Carers Group meets formally once a term. The Group consists of a Chairperson, Vice Chair, Secretary, PRC Representative and Group members.

The school will from time to time seek the support of the CMW Parents and Carers Group at school-based activities or the Group may identify opportunities to support the school from the school calendar.

How To Join?

All parents and carers are invited to be part of the CMW Parents and Carers Group either as an elected member or as part of the membership group.

Come along to a meeting and express your interest.

Meeting invitations each term will be sent out to all parents via the Compass Portal. Invitations will also be advertised on the School's Facebook and Instagram pages.
